

CAPACITY BUILDING WORKSHOP: STARTING AN EDUCATIONAL HEPATITIS C SUPPORT GROUP AT YOUR AGENCY

You are invited to free workshop to train individuals who wish to start or are current facilitators of Hepatitis C Support Groups.

- This training will be conducted by Ronni Marks. Ronni is a hepatitis C patient and advocate. She founded Hepatitis C Mentor and Support Group, Inc. to address the lack of supportive services for people living with hepatitis C.
- Ronni has facilitated the NYU/Langone Medical Center Hepatitis C support group for the last 17 years. She uses her expertise to provide services nationwide to hospitals, organizations, clinics and individuals wanting to establish or run hepatitis C, co-infection, and pre-/post-liver transplant patient support groups.
- The target audiences for this training are clinicians who would like to serve as a support group advisor including peer educators, NP's, PA's, medical students, residents, patient peers, patient navigators, case managers, or social workers who are interested in facilitating groups.
