

Naloxone Training

Learn How to Save a Life

August 28

2:30 – 3:30 pm

Northern Nevada HOPES

580 W. 5th Street

3rd Floor Community Room

Learn how to reverse an opioid overdose using Naloxone (aka Narcan), taught by Change Point Registered Nurse, Brendan Dalton.

HOPES Medication-Assisted Treatment Program Coordinator, Danica Pierce, will talk about mindfulness and the MAT program.

This **FREE** class is available to the public and free naloxone will be distributed. Refreshments and light bites will be provided. We will also have games with prizes.

RSVP would be appreciated to BDalton@nnhopes.org

Sponsored by **Anthem**
